

Andrea Ball

Controller,
Fresno Irrigation District

Andrea Ball joined the Fresno Irrigation District (FID) in 2025 and currently serves as Controller and Chief Financial Officer (CFO). She holds a B.S. in Business Administration with an emphasis in Accounting from National University.

As Controller and CFO, Andrea leads the District's Accounting Department and is responsible for overseeing FID's financial operations. She plays a key role in developing the District's budget, working closely with department heads and securing financial management approvals from the FID Board of Directors. Andrea also facilitates annual audits, prepares monthly financial statements and reports for the Board, and oversees the stewardship of the District's investments.

Prior to joining FID, Andrea spent 10 years as the Controller for a local rendering plant, where she gained extensive experience in financial management and accounting.

Born and raised in Fresno, Andrea comes from a local farming family that primarily grows figs, as well as grapes and olives. Outside of work, she enjoys spending time with her family, traveling and going on cruises.
